The surplus of \$3,807.14 for the year together with adjustments affecting previous years of \$15,110.70, a total of \$18,917.84 was transferred to Reserve for Public Works.

The excess of expenditures over appropriations has been dealt with in the report of the City Comptroller.

PENSION FUND

The assets of the Pension Fund at December 31st, 1945 totalled \$1,307,724.05, an increase of \$278,162.15 for the year. Since the inception of the Fund in 1939, the contributions of The City of Edmonton plus interest thereon at 4% per annum have amounted to

\$855,575.86 from which retirements of \$352,522.40 have been paid. In addition to the above contributions, the City has paid \$65,487.89, including interest, in excess of its obligations as computed by the City Comptroller at December 31st, 1945. This amount is shown on the Balance Sheet of the City as "Pension Fund Reserve."

Civic Employees' payments into the Fund with interest thereon and after deducting withdrawals amounted to \$631,765.06 at the year end.

SINKING FUND

The Sinking Fund provided \$723,476.60 for the redemption of Consolidated Debentures on February 1st, 1945. The obligation of the Fund in regard to redemption of debentures has now been discharged and the remaining obligation is to pay to the City \$531,-269.83 for expenditures pending capitalization at January 31st, 1937, in accordance with the provisions of the Refinancing Plan of 1937.

The book value of the assets in the fund at December 31st, 1945 was \$758,295.89 against which there is an Investment Reserve of \$218,413.15. It is anticipated that a considerable portion of the Reserve will not be required.

The net earnings of the Fund for the year amounted to \$23,-281.51 of which \$8,281.51 had not been paid to the City at the close of the year. The earnings were applied to reduce the charge for general debenture interest and redemption of the City.

RESERVE FUND

The assets of the Reserve Fund amounted to \$4,559,723.52 at the end of 1945 and consisted of obligations of the Dominion of Canada, the Province of Alberta, The City of Edmonton and Edmonton School Districts.

Interest, at the rate of 3% was credited on deposits with the Fund. Surplus earnings of \$350,000.00 resulting mainly from the interest adjustment on Province of Alberta Bonds, were transferred to The City of Edmonton account.

GENERAL

In our opinion, the Consolidated Balance Sheet and the statement of Revenue and Expenditure present fairly the position of the City as at December 31st, 1945, and the results of operations for the year to that date. We have attached our certificate to the Balance Sheet.

Respectfully submitted,
